SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Honorable Sir:

Pursuant to Section 1.97 of Title 37 of the Code of Federal Regulations, and prior to the issuance of a first office action, record is hereby made of additional information the United States Patent and Trademark Office may wish to consider during examination of the above-entitled application. No representation is made or intended that a prior art search was conducted, or that no better art than that listed is available.

As this Supplemental Information Disclosure Statement is being submitted prior to a first Office Action on the merits, it is respectfully submitted that no fee is required for consideration of this IDS.

An Office Action was issued during examination of the corresponding Chinese patent application in which the following documents were cited: GB 1 469 648 and US 5,804,717. Patent document GB 1 469 648 was previously noted in the initial Information Disclosure Statement filed in the U.S. Patent and Trademark Office on November 15, 2006, in the subject application. A copy of the Office Action issued in the corresponding Chinese application is attached hereto for the Examiner's convenience, along with Form PTO/SB/08A.

It is requested that this additional document be fully considered and made of record in this case.

Respectfully submitted,

Mark A. Hixon
